

A MESSAGE FROM HEAD OF SCHOOL

Dear Faith Family,

Summer is upon us, and for those of us in the education world, it's a chance to catch our breath and rest! For parents it's a chance to spend some quality time with your kids. This opportunity, like so many that God allows us, requires us to be good and faithful stewards.

I like quotes, particularly from books and movies; one of my favorites comes from the far superior version of the Spiderman movies with Tobey McGuire (no offense, Andrew Garfield); Uncle Ben tells Peter: "With great power comes great responsibility." Every time I hear Cliff Robertson deliver that line in front of the New York Public Library it evokes thoughts of a biblical understanding of stewardship and fires me up! An infinitely more important quote comes from Jesus in Luke 12:48b,

"Everyone to whom much was given, of him much will be required, and from him to whom they entrusted much, they will demand the more."

Even though our family is still in Texas, you are very much on my heart and mind. I'm praying for all of you, specifically that you will experience God's blessing of rest and time with your families this summer. Let me encourage you to define your rest the way that God defines it throughout Scripture: *in whatever we may be doing, let us recognize God's good and gracious gifts*. Meanwhile, please allow me to update you on a few important developments at our school:

- New Staff Member, Rick Block

You may already know that Sue Knudtson is leaving us after years of faithful service at Faith. I've been able to spend a limited amount of time with Sue but know that she will be missed! Her love and passion for FCS are clear to everyone. I am pleased to tell you that God has provided an individual to step into her role. **Rick Block** is a humble, godly, and qualified believer who will serve in the capacity of **Accounting & Advancement Project Manager**. Rick will be serving in the business office, as well as, being a valuable resource to Erika Czarnecki in her role as Advancement Director at FCS.

Rick is married to Deanna, and they have two beautiful daughters: Meredith (going into 6th grade) and Jenna (going into 3rd grade). Rick has a Bachelor of Science/Accounting degree from Oral Roberts University and is well versed in both non-profit and for-profit environments. As a family, they are committed to Christ-centered ministry and are passionate about the Gospel. They attend Orchard Hills Assembly of God in Mukwonago. We are blessed to have such a wonderful family join FCS!

FCS welcomes the Block Family

- Student Life Director Search

Another bittersweet update: As you may know, Tim Yorgey has accepted a position on staff at Calvary Community Church. Again, I've not spent much time with Tim, but know that he had an eternal impact on so many lives over the years at FCS and will be missed! I know you join me in rejoicing with Tim in this new opportunity for ministry. With Tim's departure, we are slightly changing the current role of *Dean of Students* and also changing the title. Please pray with us as we seek God's person to fill the role of *Director of Student Life/Bible Teacher* for the upcoming school year. This is a vital position at our school, and we are fervently seeking the right individual who will have a tremendous impact on the spiritual lives of our students, their families, and our staff members.

- The McCormick Family's Move

Finally, please be in prayer for the details of our move from Longview, TX to Walworth County, WI. There is much to be determined yet, including the sale of our house here in Longview, but we know that God will provide in His good and perfect timing. I am excited to start officially in the FCS office on July 1. Please feel free to drop by and say hi!

“Harper, Dawn, Bailey, Tate, and I are so excited that God has led us to become a part of this family of believers at FCS!

We can't wait to be with you!”

Respectfully in Christ,

Jim McCormick, M.Ed. Head of School
